Hi Matt,

These new EPA locations will replace the old ones we have, right? It looks like most of them match up except a few so I'm making sure this is the updated locations as opposed to a totally separate list.

Attached is a list of the Sampling locations with Lat Longs. There are twelve EPA locations and 9 DOE-RaP locations. Please add all of these to the web map and let me know when updated. Label the DOE sites as DOE-RAP sites...thanks and let me know if you have any questions.
